

# FAQ

## Can we bring outside food?

The host family may bring or have delivered food, cake, ice cream and beverages. We do not have resources to heat or re-heat food. Ice is not available on site but we have some limited refrigerator/freezer space available to keep food and ice-cream cold. Guests may have to make additional arrangements for cold storage if our space is not adequate to meet your needs.

## Is there refrigeration available?

The party room has a micro refrigerator and the facility also has a full size refrigerator. Please see the front desk for access to the large refrigerator.

## What is available in the space?

Four (4) - 6 foot x 2 ½ foot tables set up for birthday party participants to sit down with space to eat and open presents. The tables can be set up for seating from 20 (comfortable) to 32 (tight). Chairs may be set up along the perimeter of the room to allow some seating area for adults (~10 adults). You are welcome to reconfigure the tables and chairs.

## Are decorations allowed?
